

PREPARE FOR THE NEW SEMESTER

- Go through material & decide what to keep
- File last semester's papers away
- Clean & organize study space (bookshelves & drawers too)
- Organize your computer filing system
- Get rid of useless things

- Set up paper planners
- Set up digital planners/note systems
- Set up color code

- Read syllabuses
- Write down important information
- Check your e-mail for updates

- Check for used textbooks
- Buy textbooks
- Make a list of school supplies to buy
- Prepare binders & notebooks

- Reflect on the last semester
- Decide on your goals for the semester
- Inspire yourself
- Relax
